ESPNIC has collected 6 inspiring messages from its leadership, outlining their role and motivation to exercise this difficult profession and challenges to get involved parents, to have family centered approach and still advancing the science of their approach.

Tertimonials of Other HCP

32 Health care professionals have expressed their gratefulness about the support and appraising the daily contribution of Nurses and their invaluable work with patients, parents and colleagues.

Video Award

ESPNIC has awarded its first vide award recognising Refiye ZAFER DİNÇKOL - Responsible nurse of the Trakya University NICU in Edirne, Turkey

Nursing Online Course

Nursing online course with more than 5 hours of interactive content was launched in the spring of 2021 as part of the Year of the Nurse campaign encouraging unification in nursing education in Europe

2020 has been designated by the World Health Organization (WHO) the year of the nurse and midwife for the first time. The year was also the 200th birth anniversary of Florence Nightingale, the pioneer of modern nursing and a true leader who still inspires us today.
