Doctoral Studies: School of Nursing and Midwifery, Curtin University of Technology, Perth. Candidacy approved in August 1999

1996-1998

Conversion program for registered nurses and Honours program: School of Nursing and Midwifery Curtin University of Technology, Perth

1993-1994

Intensive Care Course in adult, paediatric, and neonatal intensive care (nursing)(2-year course). Centre Hospitalier Universitaire Vaud, Switzerland

1988-1990

Nursing Studies in Women's Health and Paediatrics: School of Nursing, La Pouponnière et L'Abri, Lausanne, Switzerland

CONTINUING EDUCATION

May 2022

Certificate Research Promotor (1 day), conducted y the Clinical Research Center, Lausanne University Hospital

Mar 2017

Support students in their oral and poster communication [Amener les étudiant-e-s à communiquer à l'oral des informations synthétiques à l'aide de posters] (3h), conducted by Centre de Soutien à l'Enseignement (CSE), Lausanne University

April 2016

Annual Evaluation Interview [Entretien périodique individuel (EPI) Spécial CHUV] (1,5 jours)/CEP les formations pratiques pour l'action publique - CHUV

Jan 2016-Nov 2017

MicroMBA, University Hospital Centre of Vaud - CHUV

Nov 2015

Continuous education for formal members of the ethics committee [Cours de formation continue destiné au membres des Commissions cantonales d'éthique de la recherche sur l'être humain (CER)] (0,5

day)– conducted by Prof. Vincent Moser, Dr Nathalie Jaquemont, Dr Adisa Cokoja, Lausanne University

- Mar 2015-Jun 2016 **StartingDoc – Group mentoring for doctoral students [Mentoring de groupe pour bien démarrer sa thèse]**, – (18 months) conducted by Bureau de l'égalité des chances, Lausanne University
- Aug 2014 **Summer school : Developing Behavioural Interventions for Older Adults** (5 days)- provided by Institute of Nursing Science, Medical Faculty, University of Basel, Switzerland in cooperation with Institut universitaire de formation et de recherché en soins – IUFRS, Lausanne University
- Mar 2014 **Workshop Starting doc : Developing mentoring competence** (1 day)– conducted by Centre de Soutien à l'Enseignement (CSE), Lausanne University
- Jan 2014 **Workshop-Reflexion on academic training [Atelier de formation-réflexion au sujet de l'enseignement universitaire]** (3 days)– conducted by Centre de Soutien à l'Enseignement (CSE), Lausanne University
- Nov 2013 **Continuous education for formal members of the ethics committee [Cours de formation continue destiné au membres des Commissions cantonales d'éthique de la recherche sur l'être humain (CER)]** (0.5 day)– conducted by Prof Darioli, Lausanne University
- Jun 2013 **Workshop supervision of doctoral students [Atelier encadrer les doctorants]** (0.5 days)– conducted by Centre de Soutien à l'Enseignement (CSE), Lausanne University
- Feb 2012 **Workshop animations of groups [Atelier Interactivité et animation des groupes]** (0.5 days)– conducted by Centre de Soutien à l'Enseignement (CSE), Lausanne University
- Feb 2012 **Worshop assement of competencies [Atelier Evaluer les apprentissages]** (0.5 days)– conducted by Centre de Soutien à l'Enseignement (CSE), Lausanne University
- Jun 2011 **Applied mixed methods and mixed studies reviews for health research** – conducted by Prof. Pierre Pluye, MD, PhD, Associate Professor, Department of family medecine, Mc Gill University, Montréal, under the academic responsibility of Prof. Bernard Burnand, MD, MPH, Institut Universitaire de Médecine Sociale et Préventive (IUMSP), Lausanne
- Jun 2011 **Methodological concepts and advanced statistics in systematic reviews and meta-analyses [Concepts méthodologiques et statistiques approfondis des revues systématiques et des méta-analyses]** – conducted by Patrick Taffé and Prof. Bernard Burnand, MD, MPH, Institut Universitaire de Médecine Sociale et Préventive and Cochrane Suisse, Lausanne
- Jan 2011 **Introduction to STATA programme using Windows [Introduction au programme STATA sous Windows]** (two ½ days) – conducted by

Mohamed Faouzi, PhD, Institut Universitaire de Médecine Sociale et Préventive and Centre d'épidémiologie Clinique, Lausanne

- Mar 2010 **Comprehensive Systematic Review Training Program** (modules 1, 3, 4: 5 days) – conducted by The Joanna Briggs Institute, Adelaide at the HECVSanté, Lausanne
- Feb 2008 **Designing and Delivering a Training Programme** (three ½ days) – conducted by Catherine Gavigan, Director of National Centre for Training and Development, University of Western Australia, Perth
- Feb 2008 **Measuring Patient-centred Outcomes- Health-related Quality of Life, Functional Status, and Patient Satisfaction** (2-day workshop) – conducted by Associate Professor Rod O'Connor, School of Public Health and Community Medicine, University of New South Wales, Sydney
- Nov 2007 **Clinical Epidemiology** (5-day course) – conducted by Professor Judith Finn and Associate Professor Ian Jacobs, School of Population Health, UWA
- Aug 2007 **Leading Successful Research Projects Workshop** (1/2 day) - conducted by the Organisational and Staff Development Services, University of Western Australia, Perth
- Mar 2007 **Supervisor Induction Workshop** (1/2 day) – conducted by the Office of Research and Development, Curtin University of Technology, Perth
- Feb 2007 **Creating a Positive Workplace Workshop** (1 day) – conducted by Dianne Adamson, Adamson & Associates at Princess Margaret Hospital, Perth
- Dec 2006 **Introductory and Advanced Analysis of Linked Health Data** (10 days) – conducted by Prof. D'Arcy Holman, School of Population Health, UWA
- Dec 2005 **Intensive Research Ethics Course** (5 days) – conducted by the Centre for the Study of Ethics in Medicine & Society, Monash University at Portsea, Victoria
- Nov 2004 **Comprehensive Systematic Review Training Program** (4 days) – conducted by The Joanna Briggs Institute, Adelaide at Curtin University of Technology, Perth
- Sep 2004 **Introduction to Root Cause Analysis** (1 day) conducted at Princess Margaret Hospital, Perth
- Aug 2004 **Death Audit workshop** (1 day) conducted at Sir Charles Gairdner Hospital, Perth

TEACHING

Master of science in nursing science and Master of science nurse practitioner:

- Research practicum course (3 ECTS), 2015-currently
- Person and family centred care (3 ECTS), 2021-currently
- Complex nursing interventions (3 ECTS), 2021-currently
- EBP (3 ECTS) 2021-currently
- Masters' student supervision, 2009-currently
- Leadership course (3 ECTS), 2016-2020
- Family systemic approach course (2 ECTS), 2018-2021
- Family systemic approach lab (2 ECTS), 2019-2021
- Knowledge transfer course (3 ECTS), 2015-2016
- Research Seminars (3 ECTS), 2009-2016

PhD in nursing science:

- Health measurements in nursing (3 ECTS),
- Doctoral Research seminars (2 ECTS), 8 full day seminar per year
- Scientific writing (2 ECTS)
- SPINE Summer school (1x/year) (2 ECTS)
- SPINE Doctoral day (1 x/year) (0.5 ECTS)
- Doctoral students supervision

Continuing postgraduate education:

- International Multidisciplinary Pediatric and Neonatal Acute and Critical Care (IMPNACC) Research School (2-day intensive course) (1x/year)
- EUROTEACH : pain measurement in adolescent (1 hour) (1x/year)
- JBI Systematic Review Training (5 days)

PROFESSIONAL MEMBERSHIPS

1. **Association Suisse des infirmiers et infirmières SBK- ASI :**
 - Ordinary Member
2. **Association suisse Pour les Sciences Infirmières APSI**
 - Ordinary Member
3. **Swiss Society for Early Childhood Research**
 - Ordinary Member
4. **Australian College of Critical Care Nurses (ACCCN):**
 - [Editorial Board Member](#) of the organisation official journal (peer-reviewed): *Australian Critical Care*; 2002-currently
 - National Contribution Coordinator for the Paediatric Special Interest Group publication in the Critical Times (newsletter); 2002-2008.
 - Member of the Scientific Committee – Scientific Committee for the WFPICCS 6th World Congress on Pediatric Critical Care; 2011. Declined nominated position as the Nursing Chair due to my professorial appointment at the HECV-Santé, University of Applied Sciences, Lausanne, Switzerland.
 - Nominated Nursing Convenor – Australian and New Zealand Paediatric and Neonatal Intensive Care Annual Scientific Meeting; 2009. Declined nominated position due to my professorial appointment at the HECV-Santé, University of Applied Sciences, Lausanne, Switzerland.
 - Member of the scientific committee of the ANZICS/ACCCN Annual Scientific Meeting 2002
 - Past member of the Research Advisory Committee, 2003-2006
 - Past Chairperson of the Education Committee, 2000-2001 (WA branch)
5. **European Society of Pediatric and Neonatal Intensive Care (ESPNIC):**
 - Member of the Executive Committee, [Treasurer](#) 2020-Currently
 - Past Vice-Chair of the Nursing Science Section 2018-2020
6. **World Federation of Critical Care Medicine:**
 - Ordinary member
7. **International Association for the Study of Pain (IASP):**
 - Member of the Paediatric Special Interest Group
 - Member of the [ISPP2019 Local Organising Committee](#)
8. **Secrétariat international des infirmières et infirmiers de l'espace francophone (SIDIEF)**

1. Promotor membership and Member of the Education Advisory Board 2015-2017
9. **Australian and New Zealand of Intensive Care Society (ANZICS):**
 - Past member of the Paediatric Study Group Executive Committee 2003-2005

COMMITTEES (PRESENT)

1. WHO-[The Partnership for Maternal, Newborn, and Child Health-PMNCH](#). Role : Representative of the International Council of Nurses, member of the Health-Care Professional Associations Constituency.(2019-present)
2. FORCIPED, Rete latina per le FORMazioi in Cure Infermieristiche PEDIatriche [Latin Network for paediatric nursing education]. Role : Co-Founder and Member of the Executive Committee (2019-present)
3. Commission recherche et développement de la Direction des soins [Research and Development Commission], CHUV (Jan 2015-present). Role : Member representative of Department mother-women-child
4. [BEST JBI Centre of Excellence](#): Director (Jan 2019-Dec 2021), Chair of the JBC European Region (2020), and Member of the JBI Scientific Advisory Committee (2020-currently).
5. Programme hospitalier de recherche infirmière et paramédicale – PHRIP [Nursing and allied health research programme] : President of the Jury (2017 – currently)

COMMITTEES (PAST)

1. Conseil de l'Ecole doctorale de la Faculté de biologie et médecine [Doctoral School of the Faculty of Medicine and Biology], University of Lausanne, Switzerland. (2014-2019)
2. Conseil de la Faculté de biologie et médecine [Faculty Council of the Faculty of Medicine and Biology], University of Lausanne, Switzerland (Jun 2015-2019)
3. BEST JBI Centre of Excellence. Member of the Executive Committee (Jan 2015-Dec 2018)
1. Plateforme médecine-spiritualité-société (MS3) [Medicine-spirituality-society platform], CHUV, Lausanne, Switzerland (2016-2018)
2. SIDIIIEF : Swiss representative of the nursing education advisory Board (2018)
3. Comité directeur [Steering committee], Mastèr es Sciences en sciences infirmières, (2015-2017)
4. Conseil de domaine santé (membre invité) [Health domain Council (invited membre)], Haute Ecole Spécialisée de Suisse Occidentale - HES-SO, (2015-2017)
5. Conseil, Fondation pour la recherche en soins – FORESO (2015-2017)

22. *Comparison of end-of-life care practices between children and neonates dying in an intensive care unit versus non-intensive care units*. Colloque interdisciplinaire de recherche Soins palliatifs Pédiatriques: Point de situation en Suisse ; **2017** Nov, Geneva, Switzerland
23. *Recherche en soins infirmiers pédiatriques : besoins-défis-priorités*. Allianz Soins Pédiatriques Suisses ; **2017** Oct, Bern, Switzerland
24. *Collaboration interprofessionnelle et optimisation des soins aux urgences: le rôle des infirmières praticiennes spécialisées*. Symposium en l'honneur du Prof Yersin ; **2017** Jun, Lausanne, Switzerland
25. *Recherche & Développement pour relever les défis du système de santé en Suisse : Il faut un esprit d'initiative!*. Congrès de l'ASI 2017; **2017**. May, Bern, Switzerland

26. *Modèle de soins de cox : une approche centrée sur l'enfant et sa famille*. Les Grandes Conférences du Sidiief; **2017**. Mar; online
27. *Presentation of guidelines and good practice of PhD supervision*, SPINE Supervisors' Day, **2016**, nov, IUFRS, Lausanne, Switzerland
28. *Best Practice: Pain, Sedation Tolerance and Withdrawal*. 41st ANZICS/ACCCN Intensive Care ASM and 22nd Annual Paediatric and Neonatal Intensive Care Conference; **2016**, Oct, Perth, Australia
29. *PELICAN ICU Study: Palliative Care in Critically Ill Infants & Children*. 41st ANZICS/ACCCN Intensive Care ASM and 22nd Annual Paediatric and Neonatal Intensive Care Conference; **2016**, Oct, Perth, Australia
30. *Pediatric Case Discussions*. 41st ANZICS/ACCCN Intensive Care ASM and 22nd Annual Paediatric and Neonatal Intensive Care Conference; **2016**, Oct, Perth, Australia
31. *Adult Case Discussions*. 41st ANZICS/ACCCN Intensive Care ASM and 22nd Annual Paediatric and Neonatal Intensive Care Conference; **2016**, Oct, Perth, Australia
32. *Implantation d'infirmière.s praticien.ne.s spécialisé.e.s en Suisse (VD): une étude de faisabilité*. Symposium la pratique infirmière avancée : Bénéfices pour les patientes et le système de santé; **2016**, Sep, CHUV, Lausanne, Switzerland
33. *PhD-education in nursing: Yesterday, Today and Tomorrow* - Ramelet AS, Katapodi M. EDCNS-The European Doctoral Conference in Nursing Science; **2016**. Sep, Berne, Switzerland
34. *Evaluation de la douleur. Qu'est-ce que la littérature nous dit et qu'est-ce qui est important pour la pratique ?* Annual Swiss Pediatric Meeting. **2016**, Jun, Berne, Switzerland
35. *Impact of a telenursing service on satisfaction and health outcomes of children with inflammatory rheumatic diseases and their families: a crossover randomized trial*. Annual Swiss Pediatric meeting; **2016**, Jun, Berne, Switzerland
36. *Assessment of pain, sedation, withdrawal and delirium: putting it together*. PICC 2016-8th World Congress on Pediatric Intensive and Critical Care; **2016**, Jun, Toronto, Canada
37. *Translation of evidence into practice: making integrated care pathways work*. PICC 2016_8th World Congress on Pediatric Intensive and Critical Care, **2016**, Jun, Toronto, Canada
38. *Implémentation des guidelines sur le terrain*. 11^{ème} congrès SAfW-R Association suisse pour les soins de plaies - Section romandie; **2016**, Jun, CHUV, Lausanne, Switzerland
39. *Regard international sur la recherche en soins infirmiers*. Grande conférence de la Santé, Gouvernement français; **2016**, Feb; Paris, France
40. *La communication de la douleur sans mots*. Journée Recherche du Domaine Santé Haute Ecole Spécialisée de Suisse Occidentale - HES-SO , **2015**, Nov, Sion, Switzerland
41. *Résultats de la recherche PELICAN*. 9^{ème} symposium des soins palliatifs pédiatriques : Une prise en charge spécifique selon l'âge. **2015**, Oct, Pully, Switzerland
42. *L'impact des Télésoins en rhumatologie pédiatrique* Café Recherche - Rencontres scientifiques de l'Unité de Recherche en Santé de la Haute Ecole de Santé Vaud-HESAV. **2015**, Sep, Lausanne, Switzerland
43. *How to turn research ideas into a clear research proposal*. 26th Annual Meeting of the European Society of Paediatric and Neonatal Intensive Care Congress -ESPNIC. . **2015**, Jun Vilnius, Lithuania
44. *Best Practice Examples in pain management*. 26th Annual Meeting of the European Society of Paediatric and Neonatal Intensive Care Congress -ESPNIC. **2015**, Jun Vilnius, Lithuania
45. *Supporting Nursing Research Students*. 26th Annual Meeting of the European Society of Paediatric and Neonatal Intensive Care Congress -ESPNIC. **2015**, Jun Vilnius, Lithuania
46. *Les soins infirmiers : efficaces et rentables ?* Journée de l'infirmière. **2015**, May, CHUV, Lausanne, Switzerland
47. *Pain in children*. International Association for the Study of Pain-IASP - WHA's Resolution on Palliative Care: Ensuring Access for Children. **2015**, May, Genève, Switzerland
48. *Recherche en soins 2.0. Leçon inaugurale*. **2015**, Apr, Faculté de biologie et de médecine, Université de Lausanne, Switzerland
49. *Reconsidering pain assessment in the nonverbal patient: Neurophysiology neuroanatomy pain indicators and clinical decision-making*. **2014** Oct. Workshop presented at the 15th World Congress on Pain Buenos Aires, Argentina
50. *Intégration des savoirs scientifiques : rôles des titulaires de Masters et de Doctorats en Sciences infirmières*. **2014** May. Paper to be presented at the 2^{ème} Séminaire européen du SIDIIEF, Lausanne, Switzerland

51. *Du soin centré sur la personne au soin centré sur la famille: une philosophie élémentaire en pédiatrie.* Paper presented at the 1er Symposium de l'IUFRS. 5 Ans de rigueur et d'audace. **2014** Feb ; Lausanne, Switzerland
52. *Sel et mortalité cardiovasculaire, quelles preuves ?* Paper presented at the Journée Cochrane. Ce traitement est-il efficace ? S'informer pour choisir, 2013, Nov ; Lausanne, Switzerland
53. *Pain assessment in PICU and NICU: Have we got it right?* Paper presented at ESPNIC. **2013** Sep ; Rotterdam, The Netherlands
54. *La recherche en sciences infirmières : un levier pour le renouvellement des pratiques.* 5ème Congrès mondial des infirmières et infirmiers francophones; **2012** May; Geneva, Switzerland
55. *Le rôle de l'infirmière de pratique avancée dans la gestion de la douleur.* Les conférences de l'IUFRS (Institut universitaire de formation et de recherche en soins); **2011** Jun; Centre Hospitalier Universitaire Vaudois - CHUV, Lausanne, Switzerland
56. *Evaluation et la gestion de la douleur: nous avons les cartes en main !* Forum Douleur; **2011** May; Centre Hospitalier Universitaire Vaudois - CHUV, Lausanne, Switzerland
57. *Educating the Child and Family.* 6th World Congress on Pediatric Critical Care; **2011** Mar; Sydney, Australia
58. *Research in Children: Trials and Tribulations.* 6th World Congress on Pediatric Critical Care; **2011** Mar; Sydney, Australia
59. *Advanced Practice Nursing in Pediatric Critical Care: Futures Challenges for Research.* 6th World Congress on Pediatric Critical Care; **2011** Mar; Sydney, Australia
60. *A Delphi study on PICU nursing research priorities in Australia and New Zealand.* 34th Australian and New Zealand Annual Scientific Meeting on Intensive Care; **2009** Oct; Perth, Australia
61. *Functional Outcomes of Children with Traumatic Brain Injuries: a Linked Data Project.* 34th Australian and New Zealand Annual Scientific Meeting on Intensive Care; **2009** Oct; Perth, Australia
62. *A Delphi study on national PICU nursing research priorities in Australia and New Zealand: Preliminary results from Round 1.* PMH Research and Advances Seminar; **2007** Oct; Perth, Australia
63. *Developing evidence-based guidelines.* 5th World Congress on Pediatric Intensive Care; **2007** Jun; Geneva, Switzerland
64. *Pain assessment of the critically-ill child: State of the Art.* 5th World Congress on Pediatric Intensive Care; **2007** Jun; Geneva, Switzerland
65. *Adverse responses to sedation and analgesia.* 5th World Congress on Pediatric Intensive Care; **2007** Jun; Geneva, Switzerland
66. *Pain and sedation: Analyzing difficult situations.* 5th World Congress on Pediatric Intensive Care; **2007** Jun; Geneva, Switzerland
67. *Monitoring sedation in PICU.* 30th Australian and New Zealand Annual Scientific Meeting on Intensive Care; **2005** Oct; Adelaide, Australia
68. *Using bispectral index monitoring: judicious sedation.* ACCN 6th Annual Institute of Continuing Education (ICE) meeting; **2005** Mar; Perth, Australia
69. *How to get published Workshop.* ACCN 6th Annual Institute of Continuing Education (ICE) meeting; **2005** Mar; Perth, Australia
70. *BIS monitoring in the PICU: Searching for evidence.* 29th Australian and New Zealand Annual Scientific Meeting on Intensive Care; **2004**; Melbourne, Australia
71. *Protocol-guided sedation and analgesia improves clinical practice in paediatric intensive care.* 9th Australian and New Zealand Paediatric and Neonatal Intensive Care Meeting; **2003**; Cairns, Australia
72. *Determining Level of Comfort in Chemically Paralysed Patients.* 4th World Congress on Pediatric Intensive Care; **2003**; Boston, North America
73. *Measurement of Pain, Anxiety and their Treatment Outcomes.* 4th World Congress on Pediatric Intensive Care; **2003**; Boston, North America
74. *Pain Assessment in Neonates.* 4th World Congress on Pediatric Intensive Care; **2003**; Boston, North America
75. *Pain assessment in preverbal children postcardiac surgery.* 27th Australian and New Zealand Annual Scientific Meeting on Intensive Care and 8th Australian and New Zealand Paediatric and Neonatal Intensive Care Conference; **2002**; Perth, Australia
76. *Development of a clinical-based pain measure for the critically ill infant.* 8th World Congress of Intensive and Critical Care Medicine; **2001**; Sydney, Australia

INVITED CONFERENCE OPENINGS & CLOSINGS

1. Closing - What a journey ! Les 50 ans de la néonatalogie, **2017** Nov. CHUV Lausanne, Switzerland.
2. Chair - Forum Douleur 2017, **2017** Aug. CHUV Lausanne, Switzerland.
3. Opening - Colloque La discipline infirmière dans tous ses états; **2017**. Mar; Institut et Haute Ecole de la Santé La Source, Lausanne, Switzerland.
4. Closing - La recherche pour avancer dans nos pratiques. Journée Soins 2017; **2017**, Jan, CHUV Lausanne, Switzerland.
5. Opening - 2nd Annual SPINE Doctoral Student Research Day, **2016**; Nov, IUFERS, Lausanne, Switzerland
6. Opening – Cours du Master ès Sciences en sciences infirmières, **2016**, Sep, CHUV, Lausanne, Switzerland
7. Opening – colloque Académie Suisse des Sciences Médicales ASSM « Comment réussir l'inter professionnalité? », **2016**, Jun, Morges, Switzerland
8. Opening- *Cérémonie d'ouverture des cours et remise des prix*, Faculty of Medicine and Biology, University of Lausanne; **2015**, Sep, CHUV, Lausanne, Switzerland
9. Opening - *SPINE Summerschool 2015- Better data for better patient*; **2015**, Aug. CHUV, Lausanne, Switzerland
10. Opening - *International Symposium Teaching Nursing Sciences in Bachelor programs: HESAV*, **2015**, Jun, Lausanne, Switzerland
11. Opening - *Quality and safety in oncology nursing international perspective*, **2015**, May. CHUV, Lausanne, Switzerland
12. Opening- *3ème séminaire européen du Sidiief, les maladies chroniques: formation, recherche, leadership clinique en soins infirmiers* ; **2015**, Mar, CHUV, Lausanne, Switzerland

OTHER CONFERENCE PRESENTATIONS (ORAL & POSTERS) AND PROCEEDINGS

1. Stenkjaer, R. L., Herling, S. F., Egerod, I., Weis, J., van Dijk, M., Kudchadkar, S. R., **Ramelet, AS**. Ista, E. *DEVELOPMENT OF A NON-PHARMACOLOGIC DELIRIUM MANAGEMENT BUNDLE IN PEDIATRIC INTENSIVE CARE UNITS* Paper presented at the EAPS 2022. , Barcelona.
2. Rahmaty, Z., Manning, J., MH, P., & AS, R. (2022, 8 Oct 2022). *CONCEPTUALIZING POST INTENSIVE CARE SYNDROME IN PEDIATRIC SURVIVORS AND THEIR FAMILIES WITH THE LENS OF BIOECOLOGICAL THEORY OF HUMAN DEVELOPMENT* Paper presented at the EAPS, Barcelona.
3. Grandjean, C., Perez, M. H., Rhamaty, Z., Maitre, M. C., & Ramelet, A. S. (2022). *FAMILY FUNCTIONING OF PARENTS THROUGHOUT THE HOSPITALIZATION OF THEIR CHRONIC CRITICALLY ILL CHILD* Paper presented at the EAPS 2022, Barcelona.
4. Macdonald, I., MH, P., Amiet, V., & AS, R. (2022). *EVALUATION OF CLINICAL PRACTICE GUIDELINES FOR THE MANAGEMENT OF PAIN, SEDATION, DELIRIUM AND WITHDRAWAL FOR USE IN PEDIATRIC INTENSIVE CARE UNITS: A SYSTEMATIC REVIEW* Paper presented at the EAPS 2022, Barcelona.
5. Macdonald, I., Alvarado, S., Marston, M., de Goumoëns, V., Favre, E., Perez, M. H., . . . Ramelet, A. S. *Effectiveness of withdrawal management algorithms in pediatric intensive care: A systematic review and meta-analysis* Paper presented at the WFPICCS 2022, 12-16 July 2022. Cape Town Virtual.
6. Rahmaty, Z., MH, P., Manning, J., & AS, R. (2022). *A New Statistical Methodology to Investigate Post Intensive Care Syndrome in Pediatric Survivors and Their Families*. Paper presented at the WFPICCS 2022, Cape Town Virtual.
7. Pereira Enes, A., & **Ramelet, A.S** *Unplanned Post-Discharge Healthcare Utilization and Family Perceptions of Continuity of Care During the Transition from a Neonatal Intensive Care Unit to Home*. Paper presented at the Swiss Association for Nursing Science- Academic Society Pediatric Nursing, Annual meeting. 14 June 2022 ; Lausanne, Switzerland.
8. De Goumoëns V, Ayigah KR, Poget M, Parisod J, Joye D, Ryvlin P, **Ramelet AS**. *Integration of family preferences, clinical expertise and contextual resources in the development of a supportive intervention for families of persons with acquired brain injuries* integration of family preferences, clinical expertise and contextual resources in the development of a supportive intervention for families of persons with acquired brain injuries. 15th International Family Nursing Conference: The official meeting of the International Family Nursing Association; July 2021; Online.
9. Macdonald I, ...**Ramelet AS**. *Assessment and management of pain, sedation, delirium and/or withdrawal in pediatric critical care: an integrative review of algorithm development, implementation and outcomes* ESPNIC Virtual Congress –2021. Online.
10. Ullman P, Rio L, **Ramelet AS**. *Interprofessional collaboration in pediatric pain management: a cross-sectional study*. ESPNIC Virtual Congress –2021. Online.
11. **Ramelet AS**. *Interprofessional collaboration when caring for chronic critically ill patients in pediatric intensive care in switzerland: a cross-sectional study*. ESPNIC Virtual Congress –2021. Online.
12. Schobinger E, **Ramelet AS**, Horsch A: *Understanding and improving relational aspects between first-time parents and healthcare providers after childbirth*. [The nursing profession in the light of transition Symposium] Symposium « La profession infirmière à la lumière de la transition». 2021. Geneva, Switzerland.
13. Forestier, A., M. Gehri, and **A.S. Ramelet**. *Qui sont les adolescent garçons qui viennent régulièrement aux urgences ?* in *Congrès annuel de la Société Suisse de Pédiatrie*. 2019. Bellinzona, Switzerland.
14. Donadeo Fadda M, S Lambert, **L Rio** , **AS Ramelet** *Perceptions and needs of fathers with newborn hospitalized in neonatal unit: a descriptive study. Preliminary outcomes*. *Congrès annuel de la Société Suisse de Pédiatrie*. 2019. Bellinzona, Switzerland.
15. de Goumoëns V, **L. Rio**, C. Jaques, **A-S. Ramelet**, *Family-oriented interventions for adults with acquired brain injury: a scoping review's results*, in European Regional Symposium "Implementing evidence, Think globally, act locally«. 2019. Cardiff, United Kingdom

16. Donadeo Fadda M, S Lambert, **L Rio**, **AS Ramelet** *Perceptions and needs of fathers with newborn hospitalized in neonatal unit: a descriptive study. Preliminary outcomes*, 2019 at the Swiss Perinatal research day Lausanne Switzerland **Winner of the people's vote poster prize**
17. Thenthorey C, Rio Marques L, **Ramelet AS**. Discharge teaching quality, readiness for discharge, and post-discharge healthcare utilization in mothers of hospitalized neonates from a swiss NICU. Annual Meeting of the Swiss Society of Neonatology; 2019; Aarau, Switzerland. **Best oral presentation**
18. Teike Lüthi F, Bernard M, Gamondi C, Vanderlinden K, **Ramelet AS**, Borasio GD. Validation of a new tool to identify patients requiring general or specialized palliative care (ID PALL) in acute care setting. 16th World Congress of the European Association for Palliative Care; 2019; Berlin, Germany.
19. Menoud G, Bochud L, Grandjean C, **Ramelet AS**. Needs and satisfaction of family members with a chronic critically ill relative in intensive care units: a descriptive study. 8th EfCCNa Congress; 2019; Ljubljana, Slovenia.
20. Bochud L, Menoud G, Grandjean C, **Ramelet AS**. Experiences of families with a chronic critically ill relative hospitalized in an intensive care unit. 8th EfCCNa Congress; 2019; Ljubljana, Slovenia.
21. Teike Lüthi F, Bernard M, Gamondi G, Vanderlinden K, **Ramelet AS**, Borasio G. Criterion validation of a simple tool for early identification of palliative care patients (ID-PALL©): preliminary results. International seminar of EAPC RN and the EAPC reference group on public health and palliative care; 2018; Brussels, Belgium. **Best Research Abstract**
22. Teike Lüthi F, Bernard M, Gamondi C, Hayek AS, **Ramelet AS**, Borasio GD. Validation d'un nouvel outil d'identification des patients palliatifs généraux et spécialisés : Résultats préliminaires. Congrès National des Soins Palliatifs; 2018; Berne, Switzerland.
23. Tischhauser J, Fiorentino AM, Roulin MJ, **Ramelet AS**. Evaluation de la douleur, tout est dans le jugement ! 7e Congrès mondial du SIDIEF 2018; Bordeaux; France.
24. Teike Lüthi F, Bernard M, Borasio GD, **Ramelet AS**. Évaluation des critères d'identification des patients palliatifs : Une revue de la littérature [Evaluation of criteria to identify palliative care patients: A literature review]. 7e Congrès mondial du SIDIEF 2018; 3-6 June; Bordeaux, France.
25. Ortoleva-Bucher C, Favre C, Ducraux D, Matos Queiros A, von Gunten A, **Ramelet AS**. Allocation du temps des soignants en psychiatrie de l'âge avancé : Une étude temps et mouvement. 7e Congrès mondial du SIDIEF; Bordeaux, France 2018.
26. Mathieu L, Morin D, **Ramelet AS**, Bell L. Modèle de développement des compétences pour le leadership infirmier en pratique avancée. 7e Congrès mondial du SIDIEF; Bordeaux, France 2018.
27. Forestier A, **Ramelet AS**. Caractéristiques cliniques des adolescents garçons consultant aux urgences. Journée de la Recherche en Pédiatrie CHUV; 2 mars 2018; Lausanne 2018.
28. Moursy L, Rio L, Foucault E, Hugli O, **Ramelet AS**. Attentes et satisfaction des patients concernant la gestion de la douleur, aux urgences d'un CHU : une enquête transversale. Congrès Urgences 2018; 13-15 june; Paris, France.
29. Sugar Chmiel A, Mathieu L, **Ramelet AS**. A debate across the Atlantic Ocean. EduHub Days 2018, Lucern, Switzerland.
30. Zwissig M, Rio L, Roth-Kleiner M, **Ramelet AS**. Le stress du nouveau-né stable lors de transport en ambulance. Journée Soins, 2017, CHUV, Lausanne, Switzerland
31. Zoni S, Verga ML, **Ramelet AS**. Evaluation d'une consultation de transition infirmière en diabétologie. Journée Soins; 2017, CHUV, Lausanne, Switzerland
32. Ducret C, Rio L, **Ramelet AS**. La transition maternelle néonatalogie-domicile: une étude descriptive. Poster to be presented at Journée Soins, 2017, CHUV, Lausanne, Switzerland
33. Gomes Da Rocha C, **Ramelet AS**. La perception du fardeau des proches aidants de personnes âgées. Poster to be presented at Journée Soins, 2017, CHUV, Lausanne, Switzerland Grandjean, C., Jaussi Spina S, **Ramelet, AS**. *The research culture among nurses working in the pediatric department of a university hospital in western Switzerland*. 6th Congress of the European Academy of Paediatric Societies, 2016, Geneva, Switzerland
34. Rio Marques, L., Zwissig, M., Roth-Kleiner, M., & **Ramelet, AS**. *Neonatal discomfort during ambulance transportation*. 6th Congress of the European Academy of Paediatric Societies, **2016**, Geneva, Switzerland. **1st Prize Nursing Award for short oral presentation**

35. Jaussi Spina S, **Ramelet AS**. The research culture among nurses working in the pediatric department of a university hospital in western Switzerland. Poster presented at Annual Swiss Pediatric Meeting, 2016, Berne, Switzerland
36. Zwissig M, Rio Marques L, Roth-Kleiner M, **Ramelet AS**. Neonatal stress during ambulance transportation : a feasibility study. Neonatal stress during ambulance transportation : a feasibility stud. Poster presented at Annual Swiss Pediatric Meeting, **2016**, Berne, Switzerland
37. Amiguet N, Monnier J, Ballabeni P, Rio Marques L, Fischer Fumeaux C, **Ramelet AS**. Evaluation and comparison of the predictive value of the "Braden Q" scale and of the "Neonatal Skin Risk Assessment Scale" (NSRAS) for the assessment of pressure ulcer risk in neonates. Poster presented at Annual Swiss Pediatric Meeting, 2016, Berne, Switzerland
38. Gélinas C BM, Topolovec-Vranic J, Choinière M, Bérubé M, Bernard F, Joffe A, **Ramelet AS**, Puntillo K & Streiner D. *Content validation of behaviors and autonomic responses on a pain assessment tool for critically ill adult with brain injury*. 37th Annual Canadian Pain Society Scientific Meeting; **2016**, May 25-26; Vancouver, BC, Canada
39. Forestier A, Joan-Carles, Ramelet, AS. *Assessment of mental suffering in male adolescents in Emergency: a nursing feasibility study*. Poster presented at Journée recherche DMCP; **2016**; CHUV, Lausanne, Switzerland
40. Rohner Abdoul J, Vannay C, Ramelet AS. *Participation aux soins des parents d'enfants hospitalisés en pédiatrie*. Poster presented at Journée recherche DMCP; **2016**;Feb 4, CHUV, Lausanne, Switzerland
41. Verga M, Zoni S, Aquarone-Vaucher M, Dwyer A, Gyuriga T, Hauschild M, **Ramelet AS**. *Assurer une continuité des soins dans la transition des services pédiatriques vers les services adultes : évaluation du rôle des soins infirmiers pour le diabète de type 1*. Poster presented at Journée recherche DMCP; **2016**; Feb 4, CHUV, Lausanne, Switzerland
42. Jaussi Spina S, **Ramelet AS**. *La culture de recherche chez les infirmières de pédiatrie d'un hôpital universitaire de Suisse romande*. Poster presented at Journée recherche DMCP; **2016**; Feb 4, CHUV, Lausanne, Switzerland
43. Amiguet N, Monnier J, Ballabeni P, Rio Marques L, Fischer Fumeaux C, **Ramelet AS**. *Evaluation et comparaison de la valeur prédictive de l'échelle « Braden Q » et de la « Neonatal Skin Risk Assessment Scale (NSRAS) » dans l'évaluation du risque d'escarre chez le nouveau-né hospitalisé*. Poster presented at Journée recherche DMCP; **2016**;Feb 4, CHUV, Lausanne, Switzerland
44. Zwissig M, Rio L, Roth-Kleiner M, **Ramelet AS**. *Le stress du nouveau-né stable lors de transports en ambulance : une étude de faisabilité, descriptive et observationnelle*. Poster presented at Journée recherche DMCP; **2016**; Feb 4, CHUV, Lausanne, Switzerland
45. Virgilio L, Grandjean C, **Ramelet AS**. *Evaluation de la satisfaction des parents lors de l'hospitalisation de leur enfant aux soins continus de pédiatrie avec le questionnaire EMPATHIC-30©: une étude descriptive*. Poster presented at Journée recherche DMCP; **2016**; Feb 4,CHUV, Lausanne, Switzerland
46. Teike Lüthi F, Gueniat C, Nicolas F, Thomas P, **Ramelet AS**. *Quels sont les obstacles à la gestion de la douleur perçus par les infirmières?* Salon infirmier; **2015**, Oct; Paris, France
47. Fahrni Nater, P.Grandjean, C. Kottelat, Y. **Ramelet AS**. *Pain Assessment and Management Practices in a Pediatric Department*. 5th Congress of the European Academy societies, **2015**, Jun, Interlaken, Switzerland

48. **Ramelet AS**, Blanc, T, Horsch, A. *Parental Satisfaction With Their Premature baby's care in a french-speaking neonatal intensive care unit (NICU)*. 26th Annual Meeting of the European Society of Paediatric and Neonatal Intensive Care Congress -ESPNIC. **2015**, Jun, Vilnius, Lithuania

COMMISSION OF EVALUATION FOR ACADEMIC PROMOTION

UNIVERSITY OF LAUSANNE

1. University of Lausanne, Switzerland, **2014**, Professeur associé.e, médecin chef.fe, du Service de psychiatrie de liaison
2. University of Lausanne, Switzerland, **2016**, Professeur-e ordinaire d'épidémiologie et de santé publique, Directeur-trice de l'Institut de médecine sociale et préventive
3. University of Lausanne, Switzerland, **2017**, Professeur-e ordinaire dans le domaine d'une nouvelle chaire de soins palliatifs infirmiers au sein du DM-SP, avec délégation à l'IUFRS.
4. University of Lausanne, Switzerland, **2020**, Tenure-track Assistant Professor in palliative care psychology in the palliative care service CHUV.

EXTERNAL EXPERTISE

1. Griffith University, Australia – Principal Research Fellow, 2015
2. Canada Research Chairs Tier 2 at the University of Laval – Health Service Research, Anesthesiology and intensive care Department, 2016
3. Faculté des sciences infirmières de l'Université de Montréal, academic promotion Professeur agrégée 2020
4. Faculté des sciences infirmières de l'Université de Montréal, academic promotion Professeur titulaire 2021
5. Faculté des sciences infirmières de l'Université de Montréal, academic promotion Professeur titulaire 2021
6. Faculté des sciences médicales et paramédicales de Aix Marseille Université, academic promotion to be habilitated to supervise research as main supervisor [Habilitation à Diriger des Recherches] 2021
7. Plymouth University, academic promotion to Associate Professor 2022

RESEARCH FUNDING

1. ***PERTINENCE study***

Investigators : Ibo Macdonald, MH Perez, V Amiet, **AS Ramelet (PI)**
Funding : UCreate3 Accelerator programme CHF up to CHF 20'000 2022

2. ***OCToPuS study***

Investigator : **AS Ramelet (PI)**, MH Perez, C Grandjean, MC Maître, and the OCToPuS Consortium

Funding : Fondation Marisa Sophie, Fondation Anna et André Livio Glauser, Stiftung pflegewissenschaft Schweiz, ESPNIC Gettinge award, CHF 116'457 2019

3. ***Validation of a classification of clinical profiles for hospitalized patients with behavioral and psychological symptoms of dementia : A multicenter national study***

Investigator : **AS Ramelet (PI)**, A Von Gunten, C Ortoleva

Funding : Fondation W. et E. Grand d'Hauteville. WEGH, CHF 90'000, 1^{er} janvier 2016 au 30 juin 2017

4. ***Supporting parents of chronically ill adolescents : A community educational intervention***

Investigators : C Akre, **AS Ramelet (CI)**, JC Suri

Funding : Commission de Recherche du DUMSC 2012 : CHF 39,450

5. *Revision and validation of the critical-care pain observation tool in critically ill adults with brain injury*

Investigators : C Gélinas, J Topolovec-Vranic, M Cusimano, M Chonière, D Streiner, AJ Baker, **AS Ramelet (CI)**

Funding: Fonds de recherche du Québec – Santé 2012: CAN\$ 402,672

6. *Impact of a telenursing service on satisfaction and health outcomes of children with inflammatory rheumatologic diseases and their family: a crossover trial.*

Investigators : **AS Ramelet (PI)**, M Hofer, B Fonjallaz, J Rapin

Total funding CHF 214,586 :

Swiss National Science Foundation 2010: CHF 132,586

RéSaR: Réseau d'études appliquées des pratiques de Santé de Réadaptation (ré)insertion 2010: CHF 22,000

Recss: Réseau d'Etudes aux Confins de la Santé et du Social 2011: CHF 60,000

7. *Adaptation of a pain evaluation tool for critically ill patients with neurological impairments and altered consciousness.*

Investigators : **AS Ramelet (PI)**, C Gélinas, MJ Roulin

Total funding CHF 44,000 :

RéSaR: Réseau d'études appliquées des pratiques de Santé de Réadaptation (ré)insertion 2011: CHF 22,000

RéSaR: Réseau d'études appliquées des pratiques de Santé de Réadaptation (ré)insertion 2010: CHF 22,000

8. *Long-term Health Outcomes of Critical Illness in Children – A PMH ICU Linked Data Project.*

Investigators : **AS Ramelet (PI)**, J Finn, S Erickson, A Duncan, G Geelhoed, K Langdon

Total funding : A\$ 80,000 (CHF 80,000)

PMH Foundation Clinical Research Fellow Grant 2007: A\$70,000

The WA Nurses Memorial Charitable Trust Grant: A\$10'000

9. *The use of oral sucrose for minor procedural pain relief in infants up to six months of age: A pilot study.*

Investigators : S Wilson, **AS Ramelet (CI)**, J Mathews

Funding : PMH Seeding Grant 2007: A\$10,000 (CHF 10,000)

10. ***Bispectral index-guided sedation as compared to standard practice of sedation in the PICU: A prospective, randomised, single blind experimental study. (Unpublished work)***

Investigators : **AS Ramelet (PI)**, A Duncan, L Flynn

Total funding A\$ 20,000 (CHF 20,000)

PMH Seeding Grant 2004: A\$10,000

ANZIC Foundation 2006: A\$10,000

11. ***Effectiveness of a standardised preoperative preparation in reducing child's and parent's anxiety.***

Investigators : W Fincher, **AS Ramelet (CI)**, J Shaw

Funding : PMH Foundation Grant 2006: \$10,000

12. ***The development of a multidimensional pain assessment scale for critically ill preverbal children***

Investigator : **AS Ramelet (PI)**

Total Funding : CHF 73,000

Australian Postgraduate Award funded by the Commonwealth Government: \$63'000 (over 3.5 years)

FORESO (Swiss Foundation for Nursing Research): 2000: CHF10'000

OTHER FUNDING (other than already cited)

1. ***Fond d'innovation pédagogique au projet « Utilisation conjointe et coordonnée de vidéos pour deux cours dans le domaine de l'enseignement de la consultation spécialisée en sciences infirmières »***

Investigator : **AS Ramelet (PI)**, A Sugar Chmiel, A Dwyer, D Morin

Funding : Direction, University, Lausanne CHF 15'000 du 1.4.2017 – 30.09.2017

2. ***Vers la réalisation d'un projet pilote d'implantation d'infirmiers praticiens spécialisés dans le domaine des soins à la personne âgée Feasibility study to implement the role of nurse practitioners in the canton of Vaud of Switzerland***

Investigator : **AS Ramelet (PI)**

Funding : Fondation Leenaards Lausanne CHF 145'000 du 1.9.2015 – 30.04.2017

3. ***Vers la relève académique dans le domaine des sciences infirmières gérontologiques [Towards academic carrier in the domain of gerontology in nursing sciences]***

Investigator : **AS Ramelet (PI)**, A Von Gunten, C Ortoleva

Funding : Fondation Leenaards Lausanne CHF 260'000 du 1.8.2016 – 31.7.2018

4. *Fond d'innovation pédagogique au projet « Introduction de l'e-portfolio pour les doctorant-e-s en sciences infirmières de l'Université de Lausanne*

Investigator : **AS Ramelet (PI)**, A Sugar Chmiel, I Chaudet

Funding : Direction, University, Lausanne , CHF 24'000 du 1.1. au 31.12.2016

5. *Vers une meilleure prise en compte des dimensions existentielles et spirituelles dans les soins aux personnes âgées [Towards integration of existential and spirituals dimensions in the care of older people]*

Investigator : **AS Ramelet**, M Shaha

Funding : Fondation Leenaards Lausanne CHF 100'000 du 1.8.2016 – 31.7.2018

6. *Vers un renforcement des compétences infirmières dans l'évaluation clinique des patients âgés [Implementation of a advanced health assessment course in the Masters of Science in Nursing programme]*

Investigator : **AS Ramelet**

Funding **Fondation Leenaards Lausanne** CHF 36'000 du 1.8.2015 – 31.7.2017

7. *Swiss PhD in Nursing Science Educational (SPINE)*

Investigator : **AS Ramelet**

Funding : **Swissuniversities** CHF 35'000/year 2014-2016 and 2017-2020

RESEARCH Projects in progress (other than already cited)

1. **NOPAIN Study**
Investigators :Eva Favre, Mauro Oddo, **AS Ramelet** (PI)
2. **PERTINENCE Study**
Investigators :Ibo Macdonald, MH Perez, V Amiet, **AS Ramelet** (PI)
3. **ChrOnic CriTically illness in Paediatric intensive care in Switzerland: the OCToPuS study**
Investigators : **AS Ramelet** (PI), C Grandjean, MH Perez, MC Fazan, L Rio, and the OCToPuS Consortium

RESEARCH STUDENT SUPERVISION

Doctorate in Nursing Sciences (main or associate supervisor) **Distinction/Awards**

1. Ms Elisabeth Schoebiger, Understanding and improving relational aspects between families and healthcare providers during and after childbirth (enrolled in Feb 2020, University of Lausanne, expected date of completion 2023)

Main Supervisor : Antje Horsch, Co-Supervisor : **AS Ramelet**
2. Ms Ibo Macdonald, pain, sedation, delirium, withdrawal assesement in PICU (enrolled in Aug 2019, University of Lausanne, expected date of completion Jun 2023)

Main Supervisor : **AS Ramelet** - Co-Supervisor : Vivianne Amiet
3. Ms Eva Favre, Non-invasive neuromonitoring in ICU patients under deep sedation (enrolled in Sept 2018, University of Lausanne, expected date of completion Mar 2022)

Main Supervisor : **AS Ramelet** - Co-Supervisor : Mauro Oddo
4. Ms Chantal Grandjean, Characteristics of chronic critically ill children and their family needs, family functioning and stress: part of the OCToPuSS study, (enrolled in Feb 2017,University of Lausanne, completed April 2022)

Main Supervisor : **AS Ramelet** Co-Supervisor : Maria-Helena Perez
5. Ms Teike-Lüthi Fabienne, Création et validation d'un outil d'identification des patients nécessitant des soins palliatifs généraux ou spécialisés (enrolled in Feb 2017,University of Lausanne, completed December 2020)

Main Supervisor : **AS Ramelet** - Co-Supervisor : Gian Domenico Borasio

6. Ms Véronique De Goumoens, *Intervention for brain injured patients and their families* (enrolled in Aug 2015, University of Lausanne, completed March 2021)

Main Supervisor : **AS Ramelet** - Co-Supervisor : Philippe Ryvlin

7. Ms Aline Forestier, *Assessment of mental suffering in male adolescents in Emergency: a nursing feasibility study*, (completed December 2019, University of Lausanne). 2nd Prize my thesis in 180 seconds.

Main Supervisor : **AS Ramelet** - Co-Supervisor : Mario Gherrri

8. Ms Kylie Davies, *Validation of the Endotracheal Suction Assessment Tool (ESAT) for clinical practice* (completed Nov 2018, Notre Dame University, Australia,) **Higher Degree by Research Award winner in Nursing from Notre Dame University of Western Australia**

Main Supervisor: Prof. Leanne Monterosso (Notre Dame University, Fremantle, Australia) - Associate Supervisor : **AS Ramelet**

9. Ms Claire De Labrusse, *Eliciting and recording women's views and preferences for care around birth: A case study approach of patient-centred care in Aberdeen (Scotland) vs. Lausanne (Switzerland)*. (enrolled in 2010 at the University of Aberdeen, Scotland, Completed July 2016)

Main Supervisor : Dr Sara McLennan (completed 2016, University of Aberdeen, Scotland) - Associate Supervisors : **AS Ramelet**

10. Ms Mary-José Roulin, *Pain Assessment in Neurologically-impaired critically ill adults* (completed 2013, University of Lausanne). **FORESO Award 2013** for best PhD studies.

Main Supervisor : **AS Ramelet**

Doctorate in Life Sciences (main or associate supervisor)

1. Ms Christina Akre, *Parents need transition care too : Using peer support to reduce the isolation of parents of adolescents with a chronic condition*. University of Lausanne (Completed Jan 2016).

Main supervisor : Prof. Juan-Carles Suris

Associate Supervisor : **AS Ramelet**

Doctorate in Public Health (main or associate supervisor)

1. Ms Shannon Barnes, Impact of severe paediatric illness on health professionals and families: Health professional grief, family partnership and parental stress (enrolled in Feb 2018, The University of Adelaide, expected date of completion 2022)

Main Supervisor : Zoe Jordan, Associate Supervisor : **AS Ramelet**

MEMBER OF JURY COMMITTEE

Doctorate in Nursing Sciences

1. Ms Dingcui Cai, **The childbirth experiences and healthcare needs of Chinese women: comparison between Switzerland and China** (expected date of completion 2023)
Main supervisor : Antje Horsch Co-supervisor: Hong Lu
External examiners : Basile Zimmermann, President: **AS Ramelet**
 2. Mr André da Silva Lopes, **Patient reported outcomes for the early detection of immune-related adverse events in cancer patients under immune checkpoint inhibitors** (expected date of completion 2023)
Main supervisor : Manuela Eicher Co-supervisor: Olivier Michelin
External examiners : Pierre-Yves Dietrich, President: **AS Ramelet**
 3. Ms Marika Bana, **Implementation of the Symptom Navi Program for cancer patients in ambulatory services: A cluster randomised pilot study (Symptom Navi Pilot Study)** (completed 2020)
Main supervisor : Manuela Eicher Co-supervisor: Solange Peters
External examiners : Susanne Look, Antje Koller, **AS Ramelet**
-
1. Ms Christelle Khadra, La distraction par la réalité virtuelle pour le soulagement de la douleur de jeunes enfants ayant subi des brûlures (completed 2019). University of Montreal, Canada
Main supervisor : Sylvie Le May,
External examiners : **AS Ramelet**, Jérôme Gauvin-Lepage, Caroline Arbour
 2. Ms Orsola Gawronski, bedside PEWS score performance, clinical impact and factors influencing escalation of care (completed 2018). University of Roma, Italy.
Main supervisor : Prof. Jos Latour, Co-supervisor, Corrado Cecchetti, Coordinator Leonardo Palombi
External examiner : **AS Ramelet**

3. Mr Serena Andrea, *Development and Implementation of an Advanced Practice Nurse in Lung Cancer within a Swiss Multidisciplinary Thoracic Cancer* (completed Sep 2016), University of Lausanne.
Main supervisor : Prof. Manuela Eicher, Thesis committee member, president : **AS Ramelet**

4. Mr Andrew Dwyer, *The health promotion model and rare disease patients: A mixed-methods study examining adherence to treatment in men with congenital hypogonadotropic hypogonadism*, (completed Dec 2014). University of Lausanne.
Main supervisor : Prof. D.Morin
Thesis committee member, president : **AS Ramelet**

5. Mr Cédric Mabire, *La transition des personnes âgées hospitalisées dans un service de médecine vers leur domicile*. (completed Mar 2014). University of Lausanne.
Main supervisor : Prof. C.Goulet
Thesis committee member : **AS Ramelet**

6. Mr Sébastien Colson, *Description de l'évolution du profil socio-cognitif et Clinique d'une cohorte d'adolescents diabétiques de type 1 ayant suivi un programme d'éducation thérapeutique* (completed Nov 2015). University of Montréal, Canada & University of Aix-Marseille, France.

Main supervisors : Prof. Stéphanie Gentile and Prof. José Coté,

External examiner : **AS Ramelet**

Doctorate in medicine

1. Ms Takeuchi Yusuke, *Exploration de l'expérience d'apprentissage des étudiant-es- en médecine participant aux ateliers avec patient-e-s simulé-e-s adolescent-e-s*. University of Lausanne, Oct, 2015

Main supervisor : Dr AE Ambresin

External examiner : **AS Ramelet**

2. Ms Flora Devos, *Transfert de connaissances de la recherche à l'application infirmière : Etude de la qualité méthodologique et de l'enseignement de la recherche*. University Paris Descartes, Dec, 2019

Main supervisor : Hélène Chappuy, Pierre-Yves Ancel

External examiners : **AS Ramelet**, Joëlle Kivits, Florence Canoui-Poitaine

3. Mr Laurent Poiroux, Etude de l'impact de soins infirmiers sur le confort, la sécurité et le devenir des patients de réanimation. University d'Angers, France, Dec, 2019

Main supervisor : Alain Mercat

External examiners : **ASt Ramelet**, Alexandre Demole, Stephan Ehrmann, Muriel Fartoukh, Christophe Guitton, Monique Rothan-tondeur

Doctorate in pharmaceutical sciences

1. Ms Fleuri Mapi, De la standardisation des doses à l'administration sécurisée des thérapies, processus intégratifs en oncologie. University of Geneva and Lausanne, Oct, 2017

Main supervisor : Prof Pascal Bonnabry

External examiner : **AS Ramelet**

Supervision of Master of Nursing coursework research projects (in progress and completed)

Distinction/Awards

1. Philippe Pythoud, Implantation d'une Visite Médico-Infirmière Partenariale dans un contexte de Soins intensifs de Néonatalogie (Parents). University of Lausanne (expected date of completion 2023)
2. Adrien Saugy, Implantation d'une Visite Médico-Infirmière Partenariale dans un contexte de Soins intensifs de Néonatalogie (Professionnels de la santé). University of Lausanne (expected date of completion 2023)
3. Silvia Alvarado, Etat actuel de l'utilisation des données probantes dans l'évaluation de la douleur, de la sédation, du sevrage et du délirium dans les unités de soins intensifs pédiatriques européennes. University of Lausanne (completed 2022)
4. Arnaud Forestier, Compétences de pratique avancée en soins infirmiers pédiatriques des régions latines de Suisse. University of Lausanne (completed 2022)
5. Laurence Ebacher-Lefrançois, Compétences généraliste en soins infirmiers pédiatriques des régions latines de Suisse. University of Lausanne (completed 2022)

6. Jade Fierry-Fraillon, Besoins et défis de santé en soins infirmiers pédiatriques des régions latines de Suisse. University of Lausanne (completed 2022)
7. Filomena Mattoscio, Caractéristiques de soins et d'utilisation des ressources par les nouveau-nés et les enfants atteints de maladie critique et chronique : une sous-étude comparative OCToPuS. University of Lausanne (completed 2022)
8. Amandine Peirera, Les perceptions parentales sur la continuité des soins lors de la transition à domicile depuis un service de néonatalogie, University of Lausanne (completed 2021)
9. Maria Feirera, nociceptive predictive value of pupillometry in ICU patients who can self-report pain University of Lausanne (completed 2022)
10. Emil Scolari, l'utilisation de la méthode de communication orale SBAR chez les infirmiers d'un service de médecine intensive, University of Lausanne (completed 2020). **FORESO Award 2021** for best masters studies
11. Carel Dan, La détresse morale lors de syndrome post soins intensifs, University of Lausanne (expected date of completion 2020).
12. Pascale Ullmann, Evaluation et traitement de la douleur en pédiatrie : Collaboration entre professionnels de la santé et la famille, University of Lausanne (completed 2020).
13. Annie Brüllisauer, Expérience de soins des adolescents à l'hôpital, University of Lausanne (completed 2019)
14. Milena Donadeo, Besoins des pères aux soins intensifs de néonatalogie, University of Lausanne (completed 2019)
15. Sophie Lambert, Croyances des pères aux soins intensifs de néonatalogie, University of Lausanne (completed 2019)
16. Laura Bochud, Evaluation des différences de perceptions des besoins des familles de patients chroniques aux soins intensifs adultes, selon els familles et selon les infirmières de soins intensifs, University of Lausanne (completed 2018)
17. Grégoire Menoud, Evaluation des différences de perceptions des besoins des familles de patients chroniques aux soins intensifs adultes, selon les familles et selon les infirmières de soins intensifs, University of Lausanne (completed 2018)

18. Lydia Moursy, Evaluation de la satisfaction concernant le protocole d'antalgie médico-déleguée des patients en salle d'attente dans un service d'urgence, University of Lausanne (completed 2018)
19. Arnaud Kern *Les perceptions du fardeau et d'être préparé au rôle de proche aidant de patients âgés hospitalisés en soins aigus pour seniors*, University of Lausanne (completed 2018)
20. Chloé Ducret, *Les sentiments des parents d'être préparés à la sortie de l'hôpital de leur enfant*: University of Lausanne (Completed 2017) **FORESO Award 2013** for best masters studies
21. Louis Prod'hom. *Etude descriptive des patients schizophrènes et des patients atteints d'un trouble bipolaire hospitalisés en psychiatrie en utilisant des données hospitalières de routine avec la 10ème révision de la classification internationale des maladies*: University of Lausanne (Completed 2017)
22. Andres Ricardo Pinilla Marin, *Etude descriptive des patients schizophrènes et des patients atteints d'un trouble bipolaire hospitalisés en psychiatrie en utilisant des données hospitalières de routine avec la 10ème révision de la classification internationale des maladies*, University of Lausanne (Completed 2017)
23. Gomes Da Rocha, *Les perceptions du fardeau et d'être préparé au rôle de proche aidant de patients âgés hospitalisés en soins aigus pour seniors*, University of Lausanne (completed 2016)
24. Dalanda Bakajica, *Qualité et impact de la maladie chez des patients ayant subi un AVC*. University of Lausanne (completed 2016)
25. Sandra Zoni, *La satisfaction avec la relation de soins, la stabilité de la maladie et l'adhérence au traitement au sein d'une consultation de transition infirmière pour adolescents et jeunes adultes atteints de diabète de type 1*, University of Lausanne (completed 2016)
26. Nathalie Amiguet, *Evaluation et comparaison de la valeur prédictive de l'échelle "Braden Q" et de la "Neonatal Skin Risk Assessment Scale (NSRAS)" dans l'évaluation du risque d'escarre en néonatalogie*, University of Lausanne (completed 2016)
27. Marie-Louise Verga, *La satisfaction avec la relation de soins, la stabilité de la maladie et l'adhérence au traitement au sein d'une consultation de transition infirmière pour adolescents et jeunes adultes atteints de diabète de type 1*, University of Lausanne (completed 2016)
28. Marielle Zwissig, *Le stress du nouveau-né stable lors de transports en ambulance: une étude descriptive observationnelle*, University of Lausanne (completed 2016) **University Award of the Academic Society of the Valais canton**
